

Aliso Creek Watershed Quarterly Report ***(Recently Completed)***

Water Quality

General

The City sponsored and hosted a cleanup site for the 15th Annual Inner-Coastal & Watershed Cleanup Day on September 17, 2011. This marked the City's 10th year of sponsorship and participation. The City's cleanup site was located on the Aliso Creek Trail between Rockfield Boulevard and Interstate 5.

Aliso Creek Directive

The City submitted the 41st Quarterly Progress Report in general accordance with the requirements of the San Diego Regional Water Quality Control Board. Noteworthy items of this reporting period included:

- Preparations for the 15th Annual Inter-Coastal & Watershed Cleanup Day
- Staff attended training for the statewide Construction General Permit
